

JOB DESCRIPTION
INVESTMENT INTERN, SUMMER 2023
(May 1-August 18, 2023)

Background

Burgundy Asset Management Ltd. is a leading Canadian investment firm providing discretionary investment management services to private individuals, charitable foundations, endowments and pension funds. Our clients are mainly located in North America and internationally. We employ a value investment approach with a quality bias. In short, we attempt to buy companies with strong economics and great management teams when they are out of favour in the capital markets. We believe this investment approach is the best way to generate long-term investment returns. We invest our clients' capital in North America, Europe, Asia and the Emerging Markets. While we invest globally, our entire investment team is based in Toronto. Our team in Toronto conducts deep, bottom-up due diligence on investment ideas, and we have traveled extensively to visit our portfolio companies and to source new investment ideas. Our firm is fully independent and wholly owned by our employees. The firm was founded in 1990.

Position Summary

We are currently seeking students for our summer 2023 investment team intern program.

Burgundy's investment team intern summer program is an opportunity to explore a career as an investment analyst. Our summer students have access to the same training, tools, and resources as our full-time analysts. Throughout the program, students are provided with the opportunity to develop critical thinking and communication skills.

Responsibilities

The successful candidate will work with our portfolio managers and analysts in their respective geographic groups to conduct analysis of public investment securities. At the start of the summer term the successful candidate will be part of a one-week training program conducted by our investment analysts and various outside resources. During the summer term, the successful candidate will be given a specific company or industry to research. They will be required to write a report and present their research to the relevant geographical team at the end of the summer.

Qualifications & Attributions

The ideal candidate will be/have:

- Strong academic track record.
- Basic accounting knowledge. There will be technical questions at the interview.
- Good written and verbal communication skills.
- Ability to analyze and distill large amounts of information into succinct main takeaways.
- Ability to interview experts and extract insights from these conversations.
- Genuine curiosity for how business works.
- Healthy blend of humility and confidence with a strong desire to learn.
- Please note that if your resume states you are fluent in French or Mandarin this will be tested.

Application Requirements

Please note that Burgundy will not guarantee the provision of a full-time job offer after the completion of the internship program.
