Come work at Burgundy!

Burgundy Asset Management Ltd. is a leading global investment manager providing discretionary investment management for private clients, foundations, endowments, pensions, and family offices. Founded in 1990, Burgundy strives to protect and build our clients' wealth over the long term. Burgundy is fully independent, and employee owned.

At Burgundy, our values of honesty, courage and always doing what is in the best interest of the client, are brought to life by the daily actions of our people. No matter the position, the right candidate shares our values and understands that everything we do, great or small, is in service of our clients.

Position Summary

We are currently seeking students for our Fall 2023 & Winter 2024 investment team intern program. This position is open to all students who are studying in Canada and pursuing post-secondary education. We welcome applicants from all educational disciplines, including but not limited to STEM and Business.

Burgundy's investment team intern program is an opportunity to explore a career as an investment analyst. Our students have access to the same training, tools, and resources as our full-time analysts. Throughout the program, students are provided with the opportunity to develop critical thinking and communication skills.

Please note that we do not hire for eight-month internships. Each term is four months.

Burgundy's Investment Intern program is in person; a virtual option is not available.

The program is only available to those in post-secondary education. We do not hire MBA students for this program.

What is in it for you?

At Burgundy our culture is one of radical responsibility. We thrive in an environment where we are continuously learning and improving in service to our clients and one another. This is a dynamic role that will result in extensive knowledge of Burgundy's investment approach. Burgundy's investment intern program will provide you with the tools and knowledge to carry you forward in your career.

- Work in a dynamic, face paced, progressive and high performing team.
- Opportunities to do challenging work alongside a team of analysts.
- Leaders who will support your development through coaching and mentoring.
- Opportunities to build your network and learn about other areas of the business.
- Ability to make a difference and have a lasting impact.

Responsibilities

- The successful candidate will work with our portfolio managers and analysts in their respective geographic groups to conduct analysis of public investment securities.
- At the start of the term the successful candidate will be part of a one-week training program conducted by our investment analysts.
- During the term, the successful candidate will be given specific companies, topics, or industries to research. Throughout the term the successful candidate will be required to write reports on these findings, as well as discuss these with their team. At the end of the term the successful candidate will do a final report and presentation to their team. The final report and presentation are either on a specific company, industry or topic, depending on their team's research needs.

Skills & Specifications

The ideal candidate will have:

- Strong academic track record.
- Basic accounting knowledge. There will be technical questions at the interview.
- Excellent written and verbal communication skills.
- The drive to undertake in-depth research.
- The ability to interpret, analyze, and distill large amounts of information into succinct main takeaways.

- Ability to interview experts and extract insights from these conversations.
- Ability to work with and manage different data sources.
- Tenacity and genuine curiosity about the world.
- Healthy blend of humility and confidence with a strong desire to learn.

If this sounds interesting to you, please submit the following to: InvestmentJobs@burgundyasset.com by 5.00 p.m. EST. on March 23, 2023.
